

My-Ride Bus App

My-Ride is a new App (only available for Android users right now) that is the latest advancement in technology that River Cities Public Transit has to offer.

With this App you will be able to track your bus location, check your Fare Card balance and schedule rides!

This was designed specifically for River Cities Public Transit customers.

Download

Instructions

- Go to the Play Store on your Android device.
- Search for **My-Ride Shah**
- Install & Open
- **Code** – Enter **RCT**
- **Sticker** – Enter a **user name**
- Name – Enter your name as it appears in River Cities Public Transit system
- Phone Number – Enter your phone number
- You will receive a **onetime passcode** by text or email
- Enter the passcode to complete the registration process
- If you do not receive a passcode call 945-2360. If the name and phone number you entered are not exactly the same as what is in our system we will need to update your information.
- The next ride you schedule with RCPT will appear on the **My-Ride App**

Track your bus location
Check your Fare Card balance
Schedule rides

My-Ride-38

View your bus location

On Jun 29, 2017 your ride, vehicle number 49A - is at above location

Note: The bus may have additional stops before it reaches you and the ETA may vary depending on the number of additional stops the bus has to make.

Bus Location

By selecting Bus Location a map will show you the current location of your bus, and let you know what bus number will be picking you up.

Parents

You can track the location of the bus your child is riding on. If you have a child waiting for a pick-up, the **My-Ride App** will show the location of his/her bus.
