View your bus location

On Jun 29, 2017 your ride, vehicle number 49A - is at above location

Note: The bus may have additional stops before it reaches you and the ETA may vary depending on the number of additional stops the bus has to make.

Bus Location

By selecting “Bus Location” a map will show you the current location of your bus, and let you know what bus number will be picking you up.

Note – the bus location is only retrieved within a half hour of the scheduled ride.

Parents

You can track the location of the bus your child is riding on. If you have a child waiting for a pick-up, the **My-Ride App** will show the location of his/her bus. At this time only one child may be tracked at a time.
